

# Moves & Grooves Newsletter

March 2017

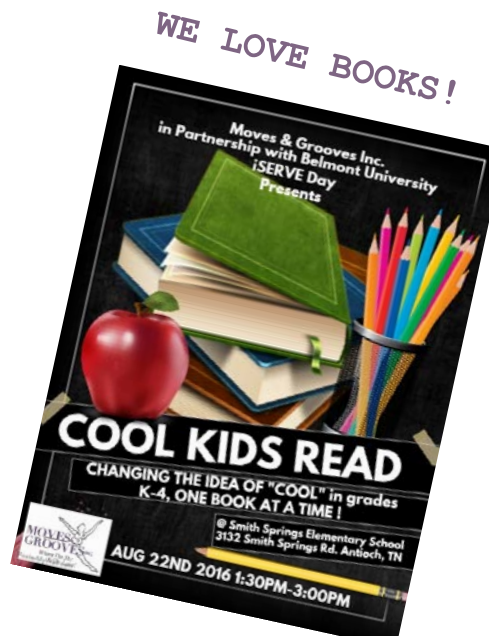

SPRING EDITION

WWW.MOVESANDGROOVES.ORG

## CHEER... CHEER! SPRING IS HERE!

SCIENCE, MUSIC, READING,  
WE'VE DONE IT ALL ...

WOW!! Our students have been moving, grooving, reading and investigating since August. Over 125 students enrolled into the Moves & Grooves Afterschool program at Smith Springs Elementary, Croft, Apollo, Thurgood and John Early Middle Schools. To support reading literacy throughout the district, the Moves & Grooves program hosted "The 100 Student Authors" event at the Nashville Downtown Public Library. 85 guests, family and friends came out to support the debut of each student's self-published book.

Violins, Violas and Cellos with the Belmont University String Department

REGISTRATION BEGINS!!!

## Crime Scene Investigators!

STEM is the current focus for Moves & Grooves in Spring 2017. Students have worked in teams to construct boats using aluminum foil, paper clips and pennies. Boats were tested for buoyance, density and its overall ability to carry the most weight. Later, students explored forensic science and received a special visit from the CSI Unit of the Metro Nashville Police Department.

for  
Fingerprints...

## Summer Camp Registration is Open
